Step-by-Step Instructions

1. Arrival & Check-In

- Arrive at Gleaners of Clackamas County at **11:30 AM** (parking is easiest if you arrive right at this time).
- Enter through the front door and check in at the front desk.
- Let them know you are from Hunger Fighters and fill out the form they provide.

2. Receiving Items

- After check-in, you will be directed to the back where a staff member will assist you.
- You will be given a cart to collect items, and the staff will walk you through the available items and how much you are allowed to take.

3. Choosing Items

- Keep in mind our shop dates are Mondays, Wednesdays, and Fridays, serving around 30 households per shop.
- **Expiration Date Guide:** Refer to our Fresh Alliance "Best By" date guide to determine how long perishable items can be kept past their date—this will help in deciding what/how much to take.
 - i. This guide is available on the volunteer portal and linked on the gleaning calendar. It's best to take a picture or screenshot on your phone for easy access.
- **Fresh Produce:** We can sort through produce before stocking to remove spoiled items, but only take as much of a given fruit/vegetable as we can put out in one shop if it's on the edge of spoilage.
- **Bulk Items:** Keep in mind that we are unable to portion many bulk products, but some bulk items for large families are okay.
- If unsure about an item, feel free to call Marlea at **(503) 683-3401**.

4. Delivery to Hunger Fighters

- Use the form provided at Clackamas Gleaners to enter the weight into our tablet (no need to re-weigh). Instructions for this are posted above the scale.
- **Perishables:** Store in designated refrigerators/freezers (produce, dairy, pre-made foods, or bakery items).

- i. If produce that needs to be sorted through, place it in the backroom (fridge or table)
- **Non-perishables:** can be stocked directly on pantry shelves—pay attention to signage.
- Unsure where something goes? Leave it on the table in the backroom
